TO BE SOLD AT AUCTION

BY

MESSRS. BANGS, MERWIN & CO.,

656 BROADWAY, NEW YORK,

ON

WEDNESDAY, 30th JUNE, 1875.

Commencing at 3 o'clock, P. M.

Orders executed by the Auctioneers; JOHN W. HASELTINE, 1225 Chestnut Street,
Philadelphia; H. G. SAMPSON, corner of Fulton Street and Broadway, New
York; or by EDWARD COGAN, 408 State Street, Brooklyn, N. Y.

New York:

CHARLES C. SHELLEY, STEAM BOOK AND JOB PRINTER,
68 BARCLAY STREET.

1875.

BROOKLYN, N. Y., *June* 16th, 1875.

DEAR SIR:

In offering the annexed Catalogue of Coins for sale, I beg to state that in consequence of the delay of the Coins coming to hand, I was obliged to make use of the owner's manuscript to enable me to have the sale during the present season.

The Catalogue was printed when the Coins arrived—only last night—and from the cursory view I have had of them, I find there are some very fine and interesting Medals. In the absence of the manuscript I am unable to compare the Coins with their description, and while I believe that the owner would not intentionally over value any thing, I could not, of course, without the needful examination, endorse their representation, and the Catalogue being so far advanced it would now be too late to make any alteration, even if needed.

Allow me once again to advise Collectors not to send bills in payment of accounts in letters without having them registered.

Yours faithfully,

EDWARD COGAN.
